QUERIES

Any query or question about this Policy or any Claim under it should be referred in the first instance to the insurance advisor that arranged the cover or IPTI at the address shown in the Certificate of Insurance.

ENDORSEMENTS

The following Endorsement attaches to and forms part of the IPTI Master Policy:

Insurance Act 2015 Amendment Clause

The rights and obligations applying to the Insured and the Insurer shall be interpreted in accordance with the provisions of the Insurance Act 2015, including as further defined herein –

- a. Any duty of disclosure and fair presentation of risk
- b. Effect of warranties
- c. Effects of acts of fraud

Except for any remedies shown within this Policy that are more favourable to the Insured, in which case the remedies set out within the Insurance Act 2015 including as further defined herein shall be superseded.

DUTY OF DISCLOSURE / FAIR PRESENTATION

The Insured shall comply and continue to comply with their duty of Fair Presentation as defined in Section 3 of the Insurance Act 2015 and provide to Insurers a Fair Presentation of the risk at inception, renewal and variation of this Policy.

A "Fair Presentation of risk" means the Insured must disclose to Insurers:

- a. every material circumstance that the Insured knows or ought to know (including matters known to those responsible for the Insured's insurance, and, if the Insured is not an individual, matters known to their senior management); or
- b. information to put Insurers on notice that they need to make further enquiries for the purpose of revealing those material circumstances; and

- c. such disclosure is in a manner which would be reasonably clear and accessible to Insurers; and
- d. in which every material representation as to a matter of fact is substantially correct and every material representation as to a matter of expectation or belief is made in good faith.

A circumstance or representation is material if it would influence the Insurers judgement as a prudent insurer in determining whether to take the risk insured by this Policy and if so on what terms.

In the event of any failure by the Insured to provide such a Fair Presentation of risk:

- i. Insurers may avoid this Policy and refuse all Claims if:
- ii. such failure was deliberate or reckless and/or
- iii. Insurers would not have entered into this Policy on any terms if the Insured had made a Fair Presentation of the risk.

Should Insurers avoid the Policy, they will return the Premium paid to the Insured unless such failure was deliberate or reckless.

- i. if Insurers would have entered into the Policy but on different terms had the Insured made a Fair Presentation of the risk, Insurers may:
- ii. reduce proportionately the amount to be paid on any Claim if Insurers would have charged a higher Premium calculated by applying the percentage that the actual Premium charged bears to the higher Premium
- iii. treat the Policy as entered into on any such different terms (other than relating to the Premium) that the Insurer would have entered into had the Insured made a Fair Presentation of risk.

A breach will be deliberate if the Insured knows that they are in breach of the duty. It will be reckless if the Insured does not care whether they are in breach of the duty.

WARRANTIES

If the Insured breaches a warranty in this Policy, the Insurers liability under the Policy shall be suspended from the time of the breach until the time when the breach is remedied (if it is capable of being remedied). The Insurer will have no liability to the Insured for any loss which occurs, or which is attributable to something happening, during the period when the Insurer's liability is suspended.

DISHONEST AND FRAUDULENT CLAIMS

If the Insured makes any Claims for indemnity knowing the same to be false or fraudulent as regards amount or otherwise, Insurers are not liable to pay the entire Claim (including any parts of the Claim which are genuine) and are entitled to recover from the Insured any sums paid in respect of the fraudulent Claim. Furthermore, the Insurer is entitled, at their election, to give notice to the Insured to terminate the Policy, with effect from the date of the fraudulent event, such notice to be given within 30 days of Insurers absolute knowledge of the fraudulent Claim and to retain the Premium in its entirety.

If the Insured makes a legitimate Claim but later deploy a fraudulent device to increase its chances of recovery, Insurers may, at their election, give notice to terminate the contract from the moment that the device was deployed, such notice to be given within 30 days of Insurers absolute knowledge of the deployment of the fraudulent device and to retain the Premium in its entirety.

If the Insurer discovers at a later date that the Insured has made a fraudulent Claim, Insurers may, at their election, give notice to the

Insured to terminate the Policy retrospectively, with effect from the date of the fraud, such notice to be given within 30 days of Insurers absolute knowledge of the fraud, and to retain the Premium in its entirety.

Insurers knowledge is “absolute” once they have completed an investigation of any suspected false or fraudulent act, including, where appropriate, obtaining further information from the Insured.
